ADVERTISING & BRANDING SOLUTIONS

Indoor & outdoor Signages

LUMENS are trained professionals in marketing and manufacturing of Indoor & Outdoor signage. We have wider vision for the functioning of factory and knowledge in sourcing the raw materials. Signage is a vast term that is defined as all of the visual graphics or groups of graphics that communicate information to the public in a creative manner. Signage is used for several applications across various industries and is considered to be a cost-effective method of advertising and marketing. Signage is a faster developing industry either by customer's demand or by new technological ideas and innovative inventions.

- ◆ Safety, Directional, Identification & Information Sinage.
- ◆ Way finding signs
- ◆ Back and Front lit signs especially in 3D
- ◆ Acrylic Signs.
- ◆ Interior Segments, focus on fit out and branding.
- ◆ Digital Signs – LED signs Solutions
- ◆ Branding – Indoor and outdoor

Product Display

Wider possibility of prospective business in Product Display Stands. The displays are normally covered with branding for the product, service and other information. Display stands are commonly manufactured from materials such as corrugated fibreboard, fluted polypropylene (aka corrugated plastic or cortex) and acrylic and metal. Corrugated and Fluted polypropylene stands can be full colour printed and supplied as flat-packs, ready to assemble in seconds.

- ◆ POP
- ◆ Banners
- ◆ Retail Promotion Stands
- ◆ Acrylic and Corrugated Stands
- ◆ Cosmetic and Brochure Stands
- ◆ Exhibition & Totem Stands
- ◆ Kiosks

Digital Graphic Service

The Digital application solutions can be applied on the contemporary world with multi applications. We can focus prospective business on digital solutions. In fact, digital graphic is an electronic image that can be used for a variety of different things; however, the image does not always have to be used on electronic devices as it can be printed and used. Some examples of a digital graphic are magazines, posters, logos etc.

- ◆ Customized Outdoor and Indoor digital printing
- ◆ Event & Retails branding
- ◆ Vehicle Branding.
